

## BROILER CHEESE TOAST

1. Turn oven control to **BROIL**. Set on **HI**.
2. Place bread, one slice per student on the broiler pan.
3. Place pan in the oven so that the bread is about 4 inches from the heat.
4. Broil until brown on **ONE** side. Electric range broils with the **door slightly open**. Gas range broils with the **door shut**. **WATCH CAREFULLY**.
5. Remove toast from broiler and spread with a small amount of margarine on the **untoasted side** of the bread.
6. Place one slice of cheese on the **buttered side** of each piece of bread.
7. Place back into the broiler and broil until the cheese puffs up and melts.
8. Remove broiler pan from range and turn off broiler.
9. With tongs or turner put cheese toast on paper towel to eat.
